Oct 20-1941

1215 am

Officers Platt & Weise car. 4. brought Mrs William Bond of 314 Broadway Newark N.J. and her Buick sedan <sup>E</sup> 72 J-N.J. to Police Hdqts. - she stated a neighbor of hers and two lady friends had drove her car out to Dunellen N.J. and on the way home, the man and the two women got out at the corner of Grant ave, and West 32<sup>d</sup> street and went to visit in a near by house - she preferred to wait in the car, thinking they would return soon, after waiting 3 hours she decided to return to Newark by Bus, and with the assistance of the above Officers had her car put in the Motor Parking Garage - taking claim check with her, (she has no drivers license) she will return with a driver to morrow and get her car -

P.S. on the Black Board was a notation that this car was wanted in Dunellen for hit & Run - but in conversation with officer Sengler in Dunellen Police Station. He said he had no knowledge of any hit and run - the officers stated there were no marks on the car - The lady said the car had not been in an accident, she had a lapse of memory and could not furnish the drivers name but said his first name is Bill.

March 9, 1942.

At 11:58 pm last night a citizen phoned N. Hld Fire Dept. stating that there was a fire in the Sears Roebuck Model Home Development, just off Greenbrook Road and near 29 Highway. This location is known as Green Pines Ground. The N. Hld. Fire Dept. asked the police to check the call, and see what there was to it. Sgt. Bennett sent a radio car to the scene and later learned that an abandoned station wagon was on fire and also stuck in the mud in the rear of some of the new homes being erected in that vicinity.

After the blaze was extinguished by the firemen the Reg. # N.C. 46 A was observed. Sgt. Bennett at 12:10 am this morning gave this information to Plainfield Police and asked if we had any motor vehicle stolen by that number. We did not have any report of the car being stolen so Sgt. Bennett phoned Newark and learned that the owner was William E. Hart, Jr. of # 84 La grande Ave. Fairwood, N.J. Lic # 539191.

All the above information was sent by Radio to Det. Starks in Fairwood and he went to Hart's home. Mrs. Hart informed the officer that her husband was at The Rustic Well on 29 Highway opposite The Highway Hut, with a group of other men, and that they were going to move a target range from The Rustic Well to Novak's out at the end of Martine Ave in Scotch Plains. The North Plainfield Police went to The Rustic Well and Mr. Hart was there with his party.

He told the Police that he left his 1941 Mercury Station Wagon in back of Sears Roebuck's store at 6 pm last night. Doors, ignition and steering were locked.

Car had a spare tire and a radio, and was purchased 4 months ago, from Burrows of Essex Co. Inc.

416 Central Ave., Newark, N.J. for \$1350.<sup>00</sup>/<sub>100</sub>  
Registration card was also in the car.  
Mr. Hart came to head quarters with Att. Starks of Fairwood at 3 am. this date and gave me the above facts.

Eloise Fischer, 4 R. F. W. #3, Wt. Build, Watching, 90 Mac Ness, reports the theft of a brand new spare tire and 3 tubes from the rear compartment of his 1942 Lpl. The Luxe blue Ford sedan, Reg# AL 93 LI, N.J. Serial # 1231999. (1941.) 4 door sedan. Value about \$25.00. Stolen some time between 10 - 11 P.M.

Mr. Fischer was visiting at Ernest Marthelia's, 118 Netherwood Ave. He arrived there about 830 P.M. and was only going to stay a few minutes and in a hurry in leaving his car he left the keys in the switch, doors unlocked, and several articles in the car, including some clothes and a suitcase.

His friends asked him to stay a while which he did and at 945 P.M. his car was OK and in front of the house. But sometime between then and 11 P.M. the car was driven away to some muddy isolated place and the rear compartment was unlocked, tire and tube removed from the spare rim, and 2 extra tubes that were in the rear, taken also. None of his personal belongings were disturbed.

The car was then driven back to Netherwood Ave., and left there rear to Marks Place and facing towards C. Front St., and on the opposite side of the street from which it was taken. Mr. Fischer said that he gave the car a good washing and it was very clean when he left it there but when he went to get it to go home, the wheels and part of the body was covered with mud.

Patrolmen Merrill and Stute report at 1.10 A.M. we were sent on alarm #1623 Automobile accident on Stelle Ave between Kenyon and Arlington Ave's, On arriving we found a Maroon Chev. Sedan Lic N-T-73-M parked crossways blocking Stelle Ave so no car could pass. The right side of the car was badly damaged, Also two trees on the south side of Stelle Ave were badly damaged. It looks as if this car was travelling east on Stelle Ave between Kenyon and Arlington Ave (bad curve there) and ran over the curb striking both of the trees. We were unable to locate the driver of this car, We gave headquarters the number of the car, Also told them to call Marinoz and have the car towed away. Teletype advised the owner is Eugene P. Monahan of 1135 E. Broad St Westfield N.J. Sergt. Gleason got in touch with Westfield Police at 1.40 A.M. and Mr. Monahan was not at home at that time. They said he works the evening shift at the Merck Plant in Rahway. Later we checked all hotels lunch rooms, trains to Westfield but were unable to locate him. We believe there was a woman with him in the car as the residents nearby heard screams of a woman as the crash occurred

of E. 5th St. and W. 4th Ave. In a few  
seconds the stolen car sped past the

Officer's status and movement in Car #3 gave  
chase with the Fairwood car following in  
pursuit of the stolen vehicle. At Park & 5th

with the car in list #3 a short ways  
behind. Car #3 passed the intersection slightly  
but the Fairwood car was involved in a

attempted to make a right turn, north  
into Madison Ave, but lost control of the

Car on front lawn. Three boys in white rain coats moving away from scene. I then Huffermuth & Payne went to the scene at 981 Island Ave., the home of Roger Clark, and found a Ford Coupe, W.R. 81 W. n.t. abandoned on the Clark's front lawn. In the car was the name of E. Sanfillips. I checked the phone book, and phoned him at 625 Hillside Ave., and he informed me that he left the keys in his car, and it was in front of his house.

I asked him to look and see if it was there in front of the house and he returned to the phone and said his car was gone. I sent a radio car to his home and conveyed Mr. Sanfillips to the scene where he identified his car, and removed it from the lawn. No damage to car but lawn was damaged to some extent. The officers were unable to locate the youths that abandoned the auto.

July 25, 1946. — H. Weise - Benurengon. Ptl. —  
 We hurry report that while driving north on Mowbr Ave., entering W. 7th St., at about 225 am. we noticed a taxi travelling west on W. 7th St., at a high rate of speed. We followed it and about one block west of Clinton Ave., on W. 7th St., the cab driver turned around. We learned later that the driver should have made a left turn and gone south on Clinton Ave., off W. 7th St.

We attempted to stop the driver but he speeded up and left the scene. We gave chase, out Clinton Ave., and found the taxi on Clinton Ave., a short distance from 7th St. The driver jumped out of the car and ran into the woods.

In the taxi was Frank Skinner, of 1445 South Clinton Ave., So. Plainfield. He stated that the driver of the cab had asked him directions to Camp Kilmer as he was walking west on 7th St. at Plainfield Ave., on his way home. Skinner offered to show the cab driver the way via Clinton Ave., and Hadley Airport and also get a ride home.

The cab driver was a Negro in soldier's uniform, evidently stationed at Camp Kilmer. Age about 30 years, 5' 9" tall, stocky build and bushy hair, & no hat, dark complexion.

The taxi was a 1937 Chevrolet sedan, Reg. # O. A. 61-E N.J. Owned by McHally Taxi Co., 586 Jackson Ave., Jersey City, N.J. and was stolen in Newark between 1 and 2 am. Sent out over the teletype at 229 am. on # 9638. Color yellow & black with owner's name on doors. Cab was brought to headquarters and Joseph Since the "regular" operator signed Officer's report and took cab back to Newark at 415 am. N.J. notified and alarm cancelled. LHC. Sgt.

Miller's Pass Sta. 1404 W. Front St.,  
reports that they seized and towed  
away from The Food Fair Parking lot  
a 1938 green Buick Coupe R.S. 16-R  
Owner Herbert Fleming, Poplar Place,  
Albany, N.Y. Had lien for bill.

About 500 pm. a woman went  
to Sgt. Warden at W. 7th + Grove Sts  
and told him that someone stole  
her car from The Food Fair lot. I  
informed the officer to advise her to go  
to 1404 W. Front St.

This lady, Mrs. Margaret Potter,  
of 208 Poplar Place, Albany, N.Y. went  
there and a lot of talk and arguing  
started and the owner phoned me  
about the trouble that this lady  
caused. I told him to order her off the  
property if she was not the owner  
of the car. Shortly afterwards she  
appeared at headquarters and told  
me that it was her car. She showed me  
a bill of sale. I asked her for the  
reg. card and she said it was in  
her wallet and in the car and they  
would not give it to her. She told me  
that she bought the car from Henry 3 months  
ago.

I called the station back and advised them to give this lady everything they had of his, and also the car if it belonged to him. I learned from Don Harding that the limo was over 6 mos. old. This woman Mrs. Potters, swears that the car is registered in her name.

She went back to the gas station and they turned the car over to her. Then she phoned me and said that her black wallet, driver's license & reg. card, soc. sec. card, cleaner's slips, picture & \$5.00 was missing. Also that the car had been damaged while being towed away.

The manager of the station said that she called him a Guinea Bastard and he may make a complaint against him. I phoned J. J. to learn who the owner of the plate K. S. 16-R is and address.
